TECHINICAL INFORMATION

KLEEN
PURGATIS

BUDESIN OP SEPT BASIC VAH listed (DGHM)

Form and duration of the use:

Hygienic hand disinfection: Place 3 ml into the palm of the hand and rub both of the hands intensively for 30 seconds so that the hands are completely wetted. It should be noted that all finger gaps, fingernail angles und skin folds are also completely wetted over the entire contact time. The disinfection has been completed after expiry of the reaction time of 30 seconds.

Surgical hand disinfection: Place at least 2 x 5 ml on the hands and keep them moist for 5 minutes. Heavily soiled hands are to be washed with soap and water before the disinfection. Allow wet hands to dry before disinfecting them.

AVOIDANCE OF APPLICATION ERRORS:

Highly soiled hands should be cleaned before disinfecting with soap and water. Allow the hands to dry before disinfecting.

Please adhere to the stipulated concentrations and times.

The safety instructions are always to be observed. Use Budesin OP Sept Basic safely. Always read the label and product information before use. If improperly used, there will be no legal claims accepted for any resulting damage.

TECHNICAL DATA:

Form: Clear, colourless liquid
Odour: of alcohol
Density: 876 g/l
pH value in the concentrate: 7

INGREDIENTS:

Active ingredients: 100g contains 73.5 g ethanol
Biocide Reg. No.: N-59258 · Approved for disinfection for human hygiene
Stability: 3 years in the original container

LABELLING:

| | |
|--|--|
|  Danger | Contains: ethanol Hazard statements: H225: Highly flammable liquid and vapour. |
| | Precautionary statements: P102: Keep out of reach of children. P210: Keep away from heat, sparks, open flames and other ignition sources. No smoking. P370+378: In case of fire: Use CO ₂ , powder or water spray jet for extinction. P301+312: IF SWALLOWED: Call a POISON CENTRE/doctor if you feel unwell. P403+233: Store in a well-ventilated place. Keep container tightly closed. P501: Dispose of contents to problem waste. |

TRANSPORT:

UN number: 1170 / Designation: Ethanol / Class: 3 / Packaging group: II / ADR
