TECHNICAL INFORMATION
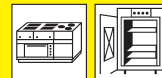

GRILL CLEANERS

GRANIT S Protection

Art. No. 600.782 10 L canister

- grill and oven cleaner with metal protection
- strong alkaline sprayable cleaner
- intensive solving power of burnt in organic material such as fat deposits and carbonations
- effective on cold and warm surfaces
- adhesive also on vertical surfaces
- easy application by attached spray pistol
- when regularly applied – cleaning is a simplified process

APPLICATION RANGE:
For cleaning of grills and ovens – as well as convectors.
Self removing crusted and burnt in and carbonized grill – Frying and baking residues.

INSTRUCTIONS FOR USE AND DOSAGE:
Use spray pistol and spray product on cold and/or warm surface. Allow to penetrate – then rinse off with fresh water. Repeat this process if necessary. Do not heat up grill and/or oven when applying this cleaner. For extremely strong contaminations allow a longer penetration time. When regularly used – cleaning is a simplified process.
If improperly applied – and for claims resulting from such improper handling – there will be no legal claims accepted.

TECHNICAL DATA:
Form: .... yellow liquid
Odour: .... product specific
Viscousity: .... thin fluid
Density: .... 1150 g/L
pH-value in delivery state: 14

INGREDIENTS:
Below 5 %: .... non-ionic surfactants and amphoteric surfactants, phosphates, phosphonates
Giscode: .... GG 0
Stability: .... at least one year in original containers
The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

LABELLING:

Danger

Contains: Disodium metasilicate, potassium hydroxide
Hazard statements:
H314: Causes severe skin burns and eye damage.

Precautionary statements:
P102: Keep out of reach of children.
P280: Wear protective gloves/eye protection.
P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
P301+330+331: IF SWALLOWED: rinse mouth. Do NOT induce vomiting.
P303+361+353: IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower.
P310: Immediately call a POISON CENTER or doctor/physician.

TRANSPORT: UN-No.: 1814 / Official transport designation: Potassium hydroxide solution
Class: 8 / Packing group: II / ADR

Date: 30.11.2016
