BARBELON

Industrial Cleaner Low Foam

Art. No. 121.772 10 L canister

- **alkaline low foam** industrial cleaner with **immediate** cleaning results
- **powerful** kitchen cleaner
- **officially tested** by authorities for application in the **food processing environment**
- cleans **fast** and **comfortably** all soilage subject to food area specific origins
- wide range of application
- for use on **sensitive** materials

APPLICATION RANGE:

For machine and for manual cleaning of all alkaline- and water resistant surfaces and floors in an industrial setting - for use on epoxy, artificial and concrete stone floors and other floor coverings typical for production and storage areas, repair shop and workshops, production facilities, loading zones etc. Confirmed recommendation by German Authorities for application in especially food production environment, food processing areas, in supermarkets, shopping malls, cafeterias and large kitchens and other environments connected to food storage- processing and large surfaces of special projects.

Refer to chart with recommended applications.

INSTRUCTIONS FOR USE AND DOSAGE:

Manual cleaning: For removal of strong and tenacious soiling in a solution of 1:1-1:5 - to be mopped onto the floor surface. Cleaning in a double step technology system.

Machine cleaning: Refer to instructions of machine producer - and add max 1 % to water tank volume of machine. Using proper pads will improve the cleaning activity and optic of such cleaned floors.

High Pressure cleaning: Dilute 1:5-1:10 with water. Follow the recommendations of the producer of such equipment.

Conduct a material compatibility test on a small area before starting.

If improperly applied - and for claims resulting from such improper handling - there will be no legal claims accepted.

TECHNICAL DATA:

Form: yellow liquid
Odour: like eucalyptus
Viscosity: low
Density: 1020 g/L
pH-value in delivery state: 9,5

INGREDIENTS:

Below 5 %: non-ionic surfactants, polycarboxylates
Contains: perfumes
GISCODE: GG 30
Stability: at least one year in original containers
The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

LABELLING: not applicable

According to EC-regulations or the corresponding national regulations the product does not have to be labelled.

TRANSPORT:

No dangerous good in sense of these transport regulations (ADR).
